

February 2018

Dear Exhibitor:

Our Mission: Sisterhood of Survivors Assists newly diagnosed breast cancer Patients and their families and offers on-going support to those affected by breast cancer through peer support and educational resources.

EIN #27-0480799

Whether you're a past vendor participant or considering becoming a new participant, SOS is committed to assisting newly diagnosed breast cancer patients and their families. We offer encouragement, peer support, resources, monthly luncheons for discussion and exchange of current medical information through guest speakers. We provide individual outreach with our special tote filled with breast cancer educational items to help patients as they go through the process, and we attend various community events to help raise awareness throughout the Central Valley concerning our organization and services.

We have seen an increased need in our community and we want to continue to provide assistance to needs of patients and families going through this long arduous process. To do so, we are asking for help from you and your organization/business.

We are currently making plans for our **9th Annual Girls Night Out Fundraiser on Wednesday, April 11, 2018**. Each year this event grows in attendance, sponsors, prizes, and fun! Girl's Night Out will include more than 50 vendors with products and services. There will be light refreshments, opportunities to purchase raffle tickets, and a silent auction. **Admission to the event is FREE.**

May we count on you to help us reach to the growing number of newly diagnosed breast cancer patients in the Valley by becoming a sponsor for our annual Girls Night Out Fundraiser?

Examples of gift items we are seeking for raffles and silent auction: game tickets, amusement park tickets, golfing certificates, gift baskets, spa packages, large ticket items, etc. Donations of items to our raffle gifts and silent auction will help assure the success of this worthwhile event. **We are requesting any additional raffle prizes or donations be received by March 30, 2018 or sooner.** Contact our office and we will make arrangements for a drop-off or an SOS member to pick up your item. *Your in-kind donation may be tax deductible, please request a donation receipt from SOS.*

May we count on you to help us reach to the growing number of newly diagnosed breast cancer patients in the Valley by becoming a sponsor for our annual Girls Night Out Fundraiser?
