We've included your **Vendor Registration Form** along with the information/invitation letter for your convenience.

1. Please complete the **Vendor Registration Form** with all the information requested to ensure we have up-to-date information.
2. You have the choice to
  - a. mail the form back to us at the address provided with a check
  - b. scan and email the registration form to the email and pay through PayPal
  - c. or scan and email the registration form to the email then send check by mail (**please note your registration will not be complete until we receive both your registration form AND payment**)
3. You will then be assigned your table/area when registration and payment are received.

We are anticipating over 60 and we've secured a larger room to accommodate for additional sellers.

If you're not able to attend, we ask if you would consider donating a gift/prize for our raffle/silent auction.

We hope you'll join us. If you have questions, please call our office at [559-439-2183](tel:559-439-2183) or email your questions here.

If you know someone who would be interested in being an exhibitor, please contact us and we will send them the information.

Please share with your family, friends, co-workers, neighbors about this event. It is free and they can help support our cause by attending.
